Date: 17-2-2022

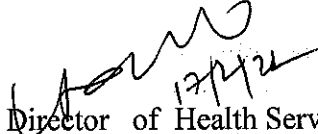

CORRIGENDUM

In partial modification of Order No. HNG/3M-37-2020/159, dated. 16.02.2022 regarding notice related to admission to B.Sc Nursing & GNM after the final mop-up counselling the modifications made are as mentioned below:

Since admission to B.Sc Nursing has been an issue of JEE, it may be allowed to continue, but only as a measure to fill up the vacant seats mostly in the private sector 25% of the seat capacity may be allowed for taking direct admission from the JEE qualified applicants only.

In the matter of GNM, this is the first time, JEE has been introduced. Regarding the pending vacant seats in the private schools, permission is accorded for admission giving preference to JEE qualified candidates initially and later on if needed the meritorious students from even non JEE candidates may be considered, to the limit of 30% of the seat capacity of the schools.

This is for information to all concerned.
